

How to track a shipment

Process Summary:

Get tracking details from frayte.com or frayte.co.uk.

Track the shipment created from the system. Once logged into the system, go to the “Track & Trace” tab. Here you can see the tracking link in the grid. Click on the link and the system will provide it’s tracking details.

Process Detail:

Track the shipment from frayte.com or frayte.co.uk: Once the user accesses the homepage of the website, in the RED marked area, select the carrier and enter your tracking number. Then click on the “Track Now” button.

The screenshot shows the Frayte website homepage. On the left, there is a box with a house icon and text: "FRAYTE Logistics Ltd. with Headquarters in Hong Kong, provides a reliable solution for your logistics needs." On the right, there is a box with a grid icon and text: "Our aim is simply to keep your freight and logistics moving and to continually meet your needs and expectations while simultaneously driving down your operating costs." Below these, there is a red-bordered box containing the tracking interface. It has a header "Track Your Shipment" followed by a "Select Carrier" dropdown menu, a "Tracking Number" input field, and two buttons: "Track Now" and "Bulk Tracking".

The system will show the tracking details as follows.
